Secretary of State of the
United States

Dear Sir:

Enclosed is a copy of Legislative Resolution #1390, which was passed by the New York State Assembly on July 2, 1982.

This Resolution calls upon the President of the United States and the Secretary of State to do all in their power to secure from the Soviet Union information on the whereabouts of Raoul Wallenberg.

The Members of the New York State Assembly feel that since the President of the United States proclaimed Raoul Wallenberg an honorary United States citizen, the United States should press the Soviet Government to renew its search and issue a full report, which would answer all the questions on the fate of a man who stands among the heroes of our time.

Very truly yours,

Stanley Fink
